Class News

Autumn 2 2026

Rivers

We will be continuing with our study of rivers this half term and extending our study to world rivers. The children will be able to name the worlds most significant rivers. In history we will be learning about the Maya Civilisation. We will find out how they created Mayan cities and how their achievements impacted on society. It is also Christmas term with lots of fun festive events including the trip to the pantomime.

Maths

Fractions
